SCENT FREE OFFICE

This letter is to inform you that this office is a Perfume/Cologne free office for the health and safety of our patients, friends and family. We have a number of patients as well as our own TEAM MEMBERS with acute sensitivity to perfumes/colognes and other strong scents.

Resulting side effects from exposure to perfumes can include asthmatic reaction like difficulty breathing and/or other allergic reactions as we have patients with compromised health issues.

Please refrain from wearing any perfumes/colognes when arriving for any dental and/or injectable appointments with us.

If you do show for an appointment while wearing above mentioned scents we reserve the right to reschedule your appointment. You would be responsible for payment in full for the scheduled appointment time.
